

Delores Shelton

July 27, 1937 - June 2, 2020

Executive Order in response to the COVID-19 Pandemic...we will only allow 10 individuals in at a time to enter the funeral home/cemetery. We must adhere to these guidelines so that we all can remain safe and secure during this crisis. Thank you for your understanding and cooperation.

Delores Shelton was born in Yalaha, Florida on July 27, 1937 to Elizabeth and Johnny Shelton. She attended Lake County Public Schools. After the completion of her schooling, she married Thomas Bennett and they resided in Apopka, Florida for years. Later she moved to Miami, finally settling in Plymouth, Florida. After the death of her parents, Delores became the matriarch of the family. She assumed the role of both parents, providing her siblings with their material needs as well as their spiritual needs. She taught them to love and respect one another. She chastised them when they were wrong and rewarded them when they were right. Delores was actively involved in church, especially with the "Feeding the Hungry Ministry". When Delores' health declined her son Tracy was there for whatever she needed and wanted. Delores had many friends and was loved by all who she came in contact with. We will cherish her memory and the life she lived. To our Queen, she will forever live in our hearts.

Delores was preceded in death by her husband, Tommy Bennett, mother, Elizabeth Payne, father, Johnny Shelton, step mother, Bessie Shelton, brothers, Darrell Mason, Cleveland Jones and sister, Margaret Fairfax.

****Tribute To My Mom ****

Exodus 20:12 reads "Honour thy mother and thy father that thy days may be long upon the land which the Lord thy God giveth thee."

For as long as I can remember you were by my side, to give me support, confidence and help. You gave me life, nurtured me, taught me, dressed me, fought for me, held me, shouted at me, kissed me, but more importantly loved me unconditionally.

For as long as I can remember you were always the person I looked up to, so strong, so compassionate, so pretty. There are not enough words to describe just how important you were to me, and what a powerful influence you continue to be. Your tender and loving ways still get me through my lonely days.

For as long as I can remember you always provided stability in our family, full of laughter, tears and love.

Even today you are everything a mother should be. Every time I think of you my heart is filled with pride. And though I'll always miss you, I know you are by my side.

In laughter and sorrow in sunshine and in rain. I know you are watching over me until we meet again.

Sending prayers for comfort and healings as the Shelton/Bennett families say celebrate the life of someone who meant so much to so many. Delores and I go way back; and, my message to you all is cherish the good memories and sweet stories for they are like pennies from heaven that remind us that we have loved and been loved.
