

## Aaron Jeffery Gerard Wade

April 26, 2007 - November 23, 2020

Aaron Jeffery Gerard Wade was born on April 26, 2007, in Altamonte Springs, Florida to parents Eric and Kellie Wade. He attended school at Bridgewater Middle School in Winter Garden, Florida. When he made his debut into this world, Aaron completed our family. He was adored by his parents and big brothers Dominique Peterson and Eric (EJ) Wade from day one. From the very beginning Aaron could be found around Winter Park stealing everyone's heart with his infectious smile from the Winter Park Pop Warner football fields where his brothers played and dad coached; to Killarney Elementary School where his mom volunteered with the PTSO and his brothers attended school. Eventually when he turned 5, he joined his brothers on the football field with the Winter Park Tigers and as a Killarney Shamrock. In 2013, Aaron's parents moved the family to Orlando where he attended Lockhart Elementary School starting his 1st grade year. During this time the family continued to attend Church In the Son, where at the age of eight Aaron accepted Jesus into his heart and made the decision to be baptized saying " I want to be baptized so I can have a new life with Jesus." While attending Lockhart Elementary School, he enjoyed participating in activities such as The Good News Club hosted by Lockhart Baptist Church on Wednesday afternoons, chorus, and the art club. Aaron excelled academically scoring all 5's on the Florida State Assessments in 4th grade and qualifying for the gifted program. During his 5th grade year he enjoyed the honor of being a safety patrol. As he prepared to transition into middle school, he loved attending The Link on Sunday mornings, while the

rest of the family members attended the church service at Church In the Son. Then in 2018, Aaron moved on to join his mother at Bridgewater Middle School as a Bobcat. He continued to take all advanced and gifted classes, receiving an invitation to join the Calculus Project Program in which he participated for two summers in a preview of the Algebra 1 and Geometry courses he would take during the school year. After school Aaron participated in the Bridgewater Believers Club, YMCA afterschool program, or most often he could be found helping the school custodian Mr. Josh Kennedy. Aaron loved to play games, watch videos, and talk to his friends on the phone or through the x-box. He loved being with his brothers and trying to imitate them any way he could. Aaron was always joking around and trying to shock people and make them laugh. This was the case even on the day of his departure from this world as he photo bombed pictures his mom tried to take and joked as he helped her cook dinner that night. Aaron will truly be missed by all who knew him. He leaves to rejoice his homegoing, his dad and mom, Eric and Kellie Wade, Orlando, FL; brothers, Dominique Peterson, Cocoa, FL; Eric (EJ) Wade, Orlando, FL; great-grandparent, Verla Westerbeke, Cocoa, FL; grandparents, Rosalie T. Pitts, Winter Park, FL; Gary and Kay McNutt Cocoa, FL; uncle and aunts, Earl and Meisha Wade, Gainesville, FL; Kimberly McNutt, Indiana, PA; cousins, Kailey Wade, Gainesville, FL; Kamille Wade, Memphis, TN; Sierra MacNaughton, Palm Bay, FL; Sophia Elmasian, Melbourne, FL; Kennedy Wade, Gainesville, FL; Justin Elmasian, Melbourne, FL; and a host of other loving relatives and friends who will miss him greatly.

“ I went to Bridgewater with Aaron and we always messed around and laughed in the gym. I remember you always had the most random things in your bag and we would share snacks and laugh. You always made my day and you had the most contagious laugh. I think about you all the time and I miss you so much

“ I was apart of the Calculus Project With Aaron and because our last names were so close together we were always paired up together and sat next to each other although we never hung out outside of school in school especially math class with ms berrios we got very close i think back on fond memories of him all these years later imagining what he'd be up to now and days the days of his random jokes or asking me for the homework while the teacher is collecting and sharing his packet of sun chips have come and gone coming back from that thanksgiving break and not seeing him in class next to me was a weird and dark feeling that has yet to be replicated since and even now 4 years later whenever i check and see a picture of him he looks the same almost as if he is stuck frozen in time we are set to graduate and it'll be in the back of my mind that he should be walking across the stage only a few people behind me

“ I went to school with Aaron I went to Y with him and had his mom as my teacher, my favorite memory of him is at the Ymca and we were in the gym and while I was on a scooter with my friend he kept throwing dodgeballs at us and then we had a dodgeball fight and laughed together.

“ I remember the first time I met Aaron. His sweet little face popped up on the other side of our fence, asking “Whatcha’ doing?” I was doing art. He asked many questions and told me how good my art was and how he also loved to paint and draw. He was so inquisitive and happy and sweet. A pure joy to know. Aimee and I are so sorry for your families loss. Please accept our condolences.

“ My deepest sympathies and condolences to the family and friends of Aaron Wade. Aaron was one of my closest friends, and one of the most happy and cheerful individuals I have met in my life. His enthusiasm and kindness in class is one of the most cherished memories I have of him. Whenever Aaron would come into class, everyone would smile and laugh along with him at his humorous jokes and clever remarks. I had seen Aaron in class occasionally before, but I had the greatest privilege of coming to know him in 7th grade. Aaron used to speak to me in Art class often, and his jovial spirit cracked a smile on everyone, including our teacher as well! I was used to having Aaron's presence across from me at the Art table, and not far from my seat in Civics. I shall remember those brilliant, happy times forever. I will never truly be able to understand that Aaron is gone. I know that he is in a better place. I will always remember him in my heart, as one of the nicest and happiest people I have known.
