“ *Grandma,*

I miss you so much until words cannot explain how I feel. I know that you were an angel sent from Heaven to lead us and guide us to become who we are. I can still hear your words and still feel your presence, and will never forget the day you left. I love you and miss you!!

“ *Words seem few to speak in this hour because we no longer have your physical presence. Thank God for all the years and times of gathering to celebrate the happy times of your birthday.*
