I was very sorry to hear of the passing of my friend Al. He was a great friend and my heart will miss him
I am full of so many fond memories of the years that Al and I worked together. I often recall our many fishing trips and the stories that Al past along during those trips.
Al was a very honorable man and he will be missed. Take care and God bless you Dot and all of your family.

“ For me to have only been apart of the Piney Grove family for just over two years, Reverend Washington has definitely left an impact on my life. I enjoyed the talks, the laughs and the knowledge he bestowed in me. He exemplified what it takes to be a leader, a father, a friend, a husband and most importantly, a servant.
Although our time together was cut short, I know that if you could speak from the heavens, you'd assure me "Brother Joe, all is well."
Sister Washington and family, you're all in my thoughts and prayers.
May God continue to bless you and comfort you during this time.

“ *Rev. Washington was one of my favorite Christian friends. I loved hearing him sing "God's Grace" and "Oo-wee Another Blessing" among others. We often complimented each other. He loved his family, his church, his pastor, and most of all-- he lived the Lord! Hard to imagine not hearing him laugh or sing or praising God again until we meet again in Glory!* ”
