“ Please accept my condolences for your loss.
Even though people think of death as just being a part of life, it was never Gods original purpose for us to die. Rom 5:12.
He has made provision by promising that He will bring those who have died back to life on earth so they can enjoy life as He originally purposed. Jo 5:28.29 Ps 37:11,29.
Think how wonderful it will be when there is no more sorrow, death or pain. Rev 21:3,4.
May the memories you cherish and these promises bring you comfort.
