

Angela Dean Mitchell

January 10, 1965 - September 10, 2025

Angela Dean Mitchell was born on January 10, 1965, in Midland, Texas, to Andrew Dean and Ida B. Mitchell. They later made Winter Park, Florida their home, where she graduated from Winter Park High School in 1983. Angela continued her pursuit of knowledge at Strayer University and Seminole State College, always striving to grow and better herself.

Angela was a radiant spirit whose joy was contagious. Her smile could brighten any room, and her laughter was a melody that brought comfort and happiness to those around her. She had a deep love for travel, especially cruising with her cherished family and friends - creating memories that will live on in the hearts of those who shared those journeys with her.

On September 10, 2025, Angela's beautiful soul departed this world, leaving a profound void in the lives of all who knew and loved her.

She was preceded in death by her beloved parents, her brother Clifford Butler, and her sister Janice Mitchell Hill. Though she is no longer with us, her legacy lives on through those she held dear.

Angela leaves behind her devoted sister, Roxie Lewis of Houston, Texas; nephews, Tyrell Lewis and Reginald Lewis, along with their families; her

favorite cousin, Charles Williams of Miami, Florida; and her cousin, Jamaica Joiner of Mount Dora, Florida, and a host of loving cousins and lifelong friends. Angela's life was a gift to all who knew her. Her spirit, kindness, and joy will be remembered always.

“ *Aunt Angie was a kind soul who had a heart that was pure gold. I'm going to miss her infectious smile and words of wisdom. I have peace in knowing that she is happy because she is back with grandma Ida and Aunt Janice. Take your rest and always remember I love you and I will cherish your words of wisdom and the love you always shared.*

“ Angela was a dear co-worker at Lochrane Engineering in Orlando for many years. She was a delightful and dear lady who always made us smile with her infectious laugh and sense of humor. She was very dedicated and hard working to support our Survey Division as our secretary for many years and was a very dear friend. My wife Andrea and I were so very sorry about hearing of her death and pray for her and her family. May she rest in the loving arms of our Savior,
