

Mrs. Anita Michelle Sanders

January 16, 1963 - February 2, 2017

Anita Michelle Sanders, was born on January 16, 1963 in Hollywood, Florida, to Annie Doris Braynen and Addington Kirkwood Braynen, Sr.

Anita attended and graduated from high school in Broward County. She went on to further her education, attending and graduating from Broward Community College, receiving an Associate Degree in General Education. Anita was dedicated to the study and witness of God's Word. Faithfully throughout her life she continuously allowed God to use her to minister to those in the work place and those who she met during her life. She truly loved the Lord.

Working as a Customer Service Representative, she had the opportunity to allow the Holy Spirit to speak through her to many people. Her faith and dedication to being a servant of the Lord, was reflective in her daily activities. When stricken with sickness in 2016, Anita smiled and keep the faith. She prayed for God's "partial or full" healing. When asked what, she meant, Anita said a "partial" healing would mean that she would live throughout her illness, and a "full" healing would be that God would take her home. Anita has a "full" healing - she's now free from sickness and pain, resting until the day Jesus returns. Her life is a witness to the many, she touched.

Today, Anita is immortalized. On Thursday, February 2, 2017 Anita was called

to rest.

“ *Anita was such a blessing and inspiration in my life. She always came over to me on her short breaks at work to talk, laugh and pray. Even when she was experiencing illness. She was a kindred spirit, and always knew when I needed a talk and prayer. She was such a wonderful, blessed, sweet, beautiful, caring, funny person. A true friend! She always gave wonderful advice. I'm TRULY BLESS to have known her. I'm truly sad, but at the same time knowing she is now with her Heavenly Father, I'm thankful she is now at rest and peace. There are not enough words to convey how much she meant to me.*

“Michelle shared inspiration of God's Word in our Bible Study Group, I always appreciate how she would speak with biblical knowledge and clear speech on the topic. She had a spirit of virtue, gentle and kind and listened to others, The last time we shared company , I was on my way to the Choir room to prepare to sing and I past her and she smile and embrace me with sister in Christ greeting, I was comforted that she had returned to church after being very ill. Michelle was truly a light in our class room and I know every where she was she shared the light of Jesus.

Her Bible class mate and sister in Christ,

Brenda Lee Morse.
