She was a beautiful light to everyone she encountered. Known also as our Cricket, which she was lovingly named by her late Great-Grandfather, Wiley Howard due to her jumping ability. Also regarded as a symbol of good fortune and prosperity around the world, while representing the positive qualities of happiness and abundance. She represented these qualities well throughout her 64 years of life while also being a true spit-fire.

We the family are grateful for all the acts of love rendered to our family in our time of grief and heartache. Thank you and God Bless You All.
