“ My sincere condolences to the Young family. I worked with Arthur in CuraScript and he was a kind and funny familiar face in the tech team as I was just starting my journey in the tech realm of pharmacy. Id just run into him some years ago in Lake Mary at a local restaurant on our lunch break and it was good to see him and catch up. May he rest in peace. 🕊️

“ My sincere condolences to the family. I worked with Arthur and rode several times with him. He was such a kind person. One time while training, I broke by bike and called Arthur. I was in the middle of nowhere and he drove to Walmart to get a new bike rack, came back and got me! No questions asked. I wasn't expecting him to do that. He will truly be missed and I am forever grateful to have known him.

“ *I knew Mr Young as “Lauren’s Dad”. I first met him when I was in high school, visiting his house for a slumber party. I was so pleasantly surprised by how nice, humorous, and easy going he was compared to all the other dads I knew. Lauren casually and confidently said “yeah I have a great dad” when I mentioned it. Mr Young was always friendly and kind whenever I saw him. A true role model to live up to. All my love to the Young family for this terrible loss.*

I so enjoyed sitting on the HOA board with Art, he made the meetings fun and bearable!! He always saw the optimistic side of things and made us laugh often. I already miss seeing him drive by the house and waving and smiling as he goes by. Our deepest sympathy to you all.
