“ *I remember the day Barbie was born. She captured such a vital part of her grandmother's heart that I admired. She was Ms. Freeman's heart that now has transformed into her Angel! God has made her guardian over you now, cherish the time you spent with her but never gone from your heart! I sincerely send my prayers and love to your family!*

“ *My thoughts and prayers are with the Freeman family at this time. I was truly saddened to hear about Barbie. I can remember she used to always say "peace be still". Keep the faith and may God continue to give you the strength you need.*
