

Barron Devon Jones

December 13, 1964 - April 17, 2025

Barron "Puggy" Jones, 60, was born December 13, 1964 in Orlando, FL to Dorothy Jones.

Barron attended Wymore Tech and graduated in 1982. He started employment with the Walt Disney World Company in 1981 at Tomorrowland Terrace (where he met his future wife Cathy) and ended his 35-year career as a Banquet Server at the Grand Floridian Resort.

Barron was married to Cathy Hammock Jones for 38 years. He has 3 sons, Barron, Brandon and Kenny.

Barron was a man who worked hard to achieve his life's goals. He was a father figure to many and would spend time talking to the youth in his family. He was an avid basketball player and loved to be on the court when he wasn't working. In the latter part of his life, he became passionate about teaching people how to become successful with whatever knowledge he had. He especially tried to teach on the stock market and how to trade. He was a cheerful giver who loved making a difference in people's lives. He had a wicked sense of humor and was the biggest braggart you ever met!
