“ *Condolences to the Wynn Family, My auntie will be truly missed in so many ways. To those who knew her has lost a beautiful person with love for people. Her Church Family and her family was her life and a strong woman of faith and confidence in anything she wanted to do.. Only God knew how much she has endured in her lifetime of illness. Her love for God was so large in faith and when the doctors gave up she never did throw the years. God Bless her with longevity, now auntie Rest in Peace with your soul mate Uncle Paul Wynn. Never will be forgotten.*

“ To the Wynn Family, we send our Condolences in the lost of your Mother she was a very spiritual person that made her peace with God many years ago. My aunt was a big part of my life and i learned so much about life from her. A lady of strong faith and strength and dare to give up even when the doctors gave up. My auntie was a person that endured many challenges throughout life but she was up for the task. I always wanted to have her strength and confidence to try new thing in life. She made many friends in her lifetime and truly loved her Church Family and Florida. To those that knew her she was a prize just to cross her path. I will miss her so much auntie Rest in Peace with your soul mate Uncle Paul Wynn. To the Adult Children you made mom happy and did what needed to be done now live life to the fullest like your mom did. Love You.
