“ To the best mother in law one could have. You've been in my life since I was in middle school. I became your 1st daughter in law and I will cherish our many memories forever. I will miss hearing your voice and seeing your smile. You taught me sincere, unconditional mother's love. I watched you never give up on any of your children and grandchildren. You continually gave what you had and that was love.

The most important thing of all I know you received the Lord in your heart and you received your heavenly wings. You are resting and I live to see you again. Forever in my heart always.....
