“ *To all of the family members of Sister my heart goes out to each and everyone of you. God only chooses the best to take into his kingdom. She suffers no more. To Sherrie , Yvette, Linda, Faye and Renee Sister was also a part of my family. Vint feel better if you can as a son you did all that you could have done as a great son. I know the pain that you are going through. May God wrap his loving arms around each and everyone of you, because in some small way Sister played a small part in everyone's life who knew her.*
