“ I still find it hard to believe that you're gone i remember when you use to come to the house when we would have a cook out and give me a hug and a kiss on the cheek and ask me what did i cook you always had that beautiful smile you are know for. Always very respectful and called me Auntie at all times, and the times you would bring your Daughter over to share in the fun. You knew so many and touch so many lives i know you are with the Lord now and even though we don't see it now even this God will use to his GLORY. I will miss you extremely!!!

“ Words do not accurately represent what you meant to those who loved you. Nor do they ease the pain of this loss. While we all know that we are here only for a season, you being taken is a hard loss. You will truly be missed. Praying for your children, family, friends, mentees and admirers. To be absent from the body is to be present with the Lord. Love you bald head...

“ To my cousin who I've watched grow up from pictures and conversations with family.. it saddens my heart to see you taken from us so soon. Though we didn't spend much time together i loved you as if we had spent everyday together.. we spoke on doing music together and I'll need your help to guide the magical melodies now... rest in peace cuz...i love you much...CKMADETHEBEAT

“ My cousin was loving, funny, and an awesome dad. There was never a dull moment with my cousin. He was full of life and positive energy. Being that Bj is my first cousin there are too many great moments to share;but I can say every moment and memory was full of positive vibes. Bj I love you and you will continually be in my heart and thoughts forever. I pray Jesus covering on my whole family, friends, and everyone who loved Bj, Amen

Being my first cousin; it's too many moments to share. Every moment we had was never dull but full of energy. Love you Bj aka bjbeatz. You will forever live in our hearts and thoughts. To our family I pray covering and healing, in Jesus name. Amen
