

Bobby" Peanut" Jermaine Williams

April 25, 1977 - October 22, 2022

Bobby "Peanut" Williams was born on April 25, 1977, in Charleston, South Carolina, to Willie Joe Murray and Jannie Georgette Williams. He was the third child of eight siblings. After his birth, his parents relocated to Orlando, Florida.

Bobby was educated in the Orange County Public School system for most of his young age. In his early teen years, Bobby started his journey of becoming a skilled journeyman. In the early 2000's, he worked as a cook at Moon Fish for a few years and later moved on to becoming a cook, painter, home repairman, brick mason, and auto mechanic. After years of apprenticeship, he had obtained the skills and knowledge to create his own business, "Peanuts Paint It Right". Bobby "Peanut" Williams was able to give back to others by employing family and friends who, like him, needed a hand in making their way in life. He took joy in knowing that he had acquired skills that would later allow him to educate and assist others. In his leisure, he enjoyed traveling and visiting new places, fishing, barbequing, playing cards, skating, and hanging out at the beach and spending time with family and friends.

He will be missed greatly.
