“ *I worked at Lake Sybelia Elementary for 34 years. During that time I got to know many special children. Brandon was one of the very special ones. I remember him as such a sweet and kind young boy. Sending my deepest sympathy to Brandon's family. I am so sorry for your loss.*

Sincerely,

Marietta Huckeba

“ *When I move to Florida in 1986 I use to babysit Brandon and his brothers and they were a hand full but they grew up to be lovely young men. I was so surprised and grateful to be able to reconnect with Brandon on Facebook a couple of years ago and devastated to hear of his passing. My deepest condolences and prayers go out to Angie and the rest of the family. RIP BRANDON*

“ *Brandon, the Caldwell family really misses you and I am so proud of you how you grew up to be such a wonderful man. I will forever have fond memories of being your football mom and bringing donuts to the team, and I will forever appreciate how you always stuck by Hezzakyah and helped him to be the best he could be while on the team. God has a special Angel with Him now and you and your family will always be in my prayers. God's many blessings.*

“ *"Because the Lord is our Shepard and Brandon shall never lack for anything Else"*

This is certainly a time of need for the entire Alexander Family to always look to the hills of which their help will come from. Hold on and never let go of the unchanging hands of the Lord, for he will gracefully provide the shield of protection...
