“ *I am very sorry that I missed the "Home Going" of Brenda. We were neighbors while growing up and I continued to keep up with her until last year. I would send her a Christmas Card. The last one came back and I wondered why. Now I know. I love you Brenda! Rest in Peace!*

“ *Brenda, I knew you were getting tired and wanted to go home, but I was selfish and didn't want you to leave me yet. I would always call you and ask you questions about different things and you always had the answer that I was looking for. You were like my Mother when we lost our Mother. You were just so far away, I wish I could have seen more of you. I was looking forward to seeing you for the Christmas holidays like we did last year. I will always miss and love you. We will meet again one day in that Mansion in the sky. Say Hi to Mom, Grandma, Uncles and Aunts. R.I.P. :(*

“ *Terron, Marilyn, Tuffy, and Ralph,*

I lit the candle and exited the message. My heart is heavy, but He promised joy in the morning. Brenda was a great nurse! Mom, called her Doc. She was always there for Mom - morning, noon, and night. I will always thank God for her wisdom, and compassion for others. Terron, trust in the Lord - He will bring you through. Your Mom loved you and her grandchildren - continue to make her proud.

*Love you all,
Cousin, Janice

You will be missed by all. We all called you the family nurse. When we didn't understand what the doctor said or if we wanted advice on taking medicine, we would call you. When you moved to Florida, we still called you down there. We are going to miss you and bubbles (Kristopher) said rest in peace auntie you are whole again. We loved, when you were close, we loved you when you were far. We will always love you because for watching over us all. Love your cousin, Teri Lawrence, Camden New Jersey.*
