“ *I am devastated!!! Briana was my student at Apopka High, but quickly became one of my favorites. She was always respectful, funny but quiet. We would have our own little personal jokes between the two us during class. We would laugh and everyone would wonder what we're laughing about. We continued to communicate well after she graduated from Apopka High. No one told me that she passed. I am just heartbroken. Rest in peace sweetheart! The trials and tribulations of this world are no longer yours to bear!! Even though I wish you were still here, you are in my heart and I will forever cherish our memories/conversations. Rest in the arms of Jesus baby. Mrs. Harris, Apopka High.*
