“ There are no words to express how deeply the loss of Carol in this family. But I know that with time God will fill you up with her memories of the things that you all shared together.

Pray your way through this family-for there is no greater love than a love for a dear ,mother, sister, daughter, or brother could have for one another-but remember Gods love for her was greater-He could see further down the road than us and he knows what's best for us all. So please be strong and know that we love you and we are here for you and most of all God loves you.
