“People die only when we forget them”. Ms. Catherine, will always be with me. If you knew her you would say the same thing. Ms. Catherine, touched many hearts including mines. "When someone you love becomes a memory, that memory becomes a treasure". I will always hold on to this treasure in my heart. Ms. Catherine, was not only a sweet and loving person but she loved the Lord. I will deeply miss her on Earth but look forward to seeing her again in Heaven.

“ *What a beautiful life! She's was our cousin, but we always called her "Aunt Catherine" and she had the most infectious smile. I can remember when we lived across the street from her in our red house; I was 3 years old (64 now and yes I remember). Our families and neighbors were so close--Aunt Artie V, Aunt Willie Thay, Tommy and Della (my dad & mom), Cousin Florence, Cousin Council and Aunt Catherine's mom--Cousin Rebecca & Ms. Zealia, Mr. Shafter and Ms. Tat.*

She has left us all a beautiful legacy of love, one we should follow and pass down to the oncoming generation. We'll remember her for touching so many lives and making such a difference and a lasting impression upon them.

She always deemed God as her source of strength. We may have a parting of the way right now, but know that if we have accepted Christ as our Lord and Savior, we will be reunited with her again!

To the Family, we are thinking of you at this time and we are praying that you find comfort in knowing that Aunt Catherine is home now, free at peace in the presence of our God. We Love You.

“ She opens her mouth with wisdom, and the teaching of kindness is on her tongue..

Proverbs 31:26

She was my last,

"Old Folk" 😊...my niece summed up what

Mrs. Catherine meant to our family 😊 just want to share this..

When I became the

"Old Folk", in my family I was FREAKING OUT 😂 she told me," the key is to listen..and most times they would figure out their own mess!!"

Her mind was still as Sharp as a tack the last time I saw her...I was trying ask someone something about her quietly and she said, "are you talking about me...is it good?"

Yes...we must all hold on to the PRECIOUS MEMORIES 💖 to her real blood family,

I speak peace, strength, harmony and love into your spirit in JESUS name amen.

Celebrate 94 years 😊

“ Share a memory that might be a little hard to do as Mrs Kaffrine was abundantly entrenched with memories. She could date back to when Apopka first made it onto the map, she knew the families and the historic tributes of every Apokian both dead and alive. She was Godmother to mother who thought with unalienable right that Mrs Kaffrine as she was so affectionately known was both the Matriarch and Mistress of Ceramony of APK aka Hoopersville aka Apopka. She was in fact wise beyond her years and knowledgeable on a lot of different accords but I think the thing that stuck out most about her was her guinuines if she was with you she was with you til the bitter end. Mrs Kaffrine has been a staple in my family since forever and another day she has mended, molded and even scolded many of my kin folks and whenever either one of them would get so much as 200 miles inside or out of Orange County the first thing to come out is I have to go see Mrs Kaffrine and she'd always remember each of them by name... while there is never a good time we all must have a turn but before my time is up I hope to have spent a fraction of the time with people loving and looking up to me just as Mrs Kaffrine did.. This woman will truly be missed!
