### A Letter from Heaven

Perhaps you aren't ready yet  
To have to say goodbye,  
Perhaps you thought of things  
You wish you had said... well so have I.  
For one thing I have told you  
Not to worry about me,  
I am with the Lord in Heaven now  
You knew that's where I'd be  
I'm sorry if you're feeling sad  
...I'm so happy now,  
I've asked the Lord to heal the hurt  
And comfort you somehow.  
It's hard at the beginning  
I know you'll make it through,  
I hope it helps to know  
I'll be waiting here for you.

“ Dear Chucky

*You were a sincere and loving man and truly loved your cousins. Every time the family got together the love was heartfelt. I can remember when you were driving a truck and came to NY and made sure you got to see me. Any post I put up of your Aunt Gertrude you made sure to let me know how much you loved her. Chucky, the last time I saw you was at the family reunion before that the Christmas me and my family were in Florida making sure we took a picture together. Even though we didn't speak as much lately; the love we've shared was always genuine. You will truly be missed. Love you always.. Cousin Sabrina*

“ Chucky,

*I am so glad I had the opportunity to be a part of your life, even though you tried to drown me in the pool when my sister and I can visit you and Schawn in Syracuse, NY (see picture). This was one of the memorable times I was able to share with you and we laugh about when I saw you at the family union.*

*I love you cousin!*
