“ *My condolences, love and prayers to my Hughley Family. Haven't really gotten to know a lot of my relatives from Florida but I did know Uncle Charlie and Aunt Roberta and their visits to my mother (Mary C. Tripp) My father (Late Wilbert Tripp) and Uncle Charlie would sit out on the porch talking. My mother would cook a big dinner . One visit I remember in particular was when I had given birth to my daughter . I was a teenager in high school with a baby and I remember both Uncle Charlie and Aunt Roberta (especially Aunt Roberta ..lol) to finish my education don't let having a baby stop me from getting an education. Uncle Charlie you were blessed to have lived a long life even though we all have a time when our earthly presence will be no more, you will be missed. R.I.H alongside the Father and King of Kings*
