“ *Ms. C was like a second mother to me, someone God knew I needed in my life. I met her at Orafol, and from the very beginning, she took me under her wing. Even after we both moved on from the company, we never lost touch. She remained one of my biggest supporters and encouragers.*

One thing I'll never forget is how deeply she loved her family. She was so proud of each of you and all that you all accomplished. I will always treasure the wisdom she shared, the love she gave, and the light she brought into my life.

Thank you, Ms. C for being the amazing person you were to so many. To her family continue to let her live through you and hold onto everything she poured into your hearts. I love you, Ms. C and I'm going to truly miss you!
