“ You and I met at a very difficult point in both our lives . You and I met and from that day forward I knew that I had friend in you , and you in me . You treated me like a brother you knew your entire life . Even when circumstances separated us , we still linked up . You were one of my truest friends and in life that's rare . You were rare . I love you man and you'll always be on my mind and in my heart forever . Rest well little brother . May the angels carry you on their wings to sit at Gods side .
