“ Behold The Flight of the Dove”

Behold the flight of the dove, which comes from above,  
Shh Shh can't you hear it ever so lightly;  
This flight is of humility which some people  
confuse with sublimity. Shh Shh can't you  
feel it's unity come, come now children fly with  
me in the vision of God. Thus celebrating there  
proclamation the flight of the DOVE.  
Lord teach me to love your people for I  
have never seen you and I want to have  
more communion with you Dear Lord.

Signed : Christopher “ GodFela”
