“ Haris and I worked together at Hyatt Regency Grand Cypress since 2022.

*He had a contagious laugh and a positive attitude through the busiest times of the year. Even on a hectic day, a shift with Haris was always fun. I enjoyed chatting with him about films and Chelsea football.*

*He was always eager to help any clients, coworkers, or hotel guests that needed assistance. He received a lot of praise from clients, both during conferences and in post-event surveys. I was thrilled to watch him accept the Team Member of the Year award last year. I am praying for his family and his close friends.*

“ I had the distinct pleasure and honor of working alongside Haris for a couple of year being coworkers at Encore. He was easily the nicest and most positive person I have ever met in my life! He was always willing to help me out in any way possible and I will miss his friendly presence and character. I send my condolences and love to the Okereke family and to my buddy, I will miss you my brother
