“ You were the closest person I had to my father growing up in his absence. You always told me how beautiful I was and to always take care of myself. I remember the summer's coming to visit you in Puerto Rico and the fun I had. I will forever keep you and your bright smile in my memories auntie I love you always and forever.

“ There is nothing like a mother's love. She nurtures, protects, comforts and supports.

“I am a strong woman because a strong woman raised me”
Author unknown.
