“ *I send my condolences to Curtis's family. Curtis was a good, honest, loyal and hard worker. I hired Curtis to work in the print shop at State Dept of Health after his service with the US Marines. Curtis quickly learned all functions and operation of the printing trade. It seemed to be second nature to him. As my backup supervisor, he worked with the staff and assisted in training and production. Curtis came to visit me years after he married and introduced me to his wife. Many memories. Curtis was special and I admired him.. GOD rest his soul.*

Regretfully and Respectfully, Clara Daniels
