“ I met Dale at Marion CI in 2007. Funny, outspoken, and always lent a helping hand to those in need. Compassionate and dedicated to serving the Lord. We separated in 2015 but the friendship that grew would last his lifetime. He was released and so was I where we hung out in the free world. Dale was human he fought his demons at times he conquered and at times they won. His passing is especially sad for me because he shouldn't have been in that situation. I will never forget him a real TRUE friend .condolences to the whole Smith family. RiP my friend you were world class.

“ My heart goes out my long time friend Saretta and family. I met Dale several years ago and he was very happy and excited to begin this journey with Saretta. I was absolutely impressed at how committed they both were to God and family. Dale was very kind to me, and he made me feel very comfortable as if we've known each other just as long as I've known Saretta. We are praying for the family to find comfort knowing Dale is at peace right by God's hand.

“ *My prayers for the family. Dale was an employee of Mims Construction for over 3 years, when he left the Company to pursue his dream, we still kept in contact thru text, e-mail and visits. We all will miss him at Mims Construction, we had some good times, great laughs, some indepth talks and just being a super and superb employee and friend to all who worked with him, his willingness to support his fellow co-workers on the job and off the job.*

A true friend We miss you Dale, God has an Angel with him.....

Until we meet again.....
