

## Damion Marquise Bradford

October 1, 1986 - July 4, 2019

Damion Marquise Bradford was born October 1, 1986 to parents Willie J. Bradford and Greta Johnson in Orlando, Florida.

Damion was raised in Apopka, Florida. He attended Apopka High School and then went on to attend both Job Corp and Seminole State College. Damion had a love for writing and was known to write poetry that was both heartfelt and deep in thought.

Damion had a very outgoing spirit and loving personality. He was sure to make a lasting impression on anyone who came in contact with him. He was a son, brother, friend, mentor and total inspiration. He was always vibrant and had a smile that would light up a room. He was helpful and considerate beyond belief. Damion would give you the shirt off of his back as well as his last, while looking for more to give.

Damion touched so many lives and was a gift to so many. He was an amazing person and was always dependable. Damion left this world being the helpful, respectful and loving young man he was raised to be. He will forever be our hero and role model to follow.

Damion was preceded in death by his paternal grand father, Willie J. Bradford, Sr.

Left to carry his legacy and continue his memory are his father: Willie J. Bradford, Jr. (Sharica) of Apopka, Florida; mother: Greta Johnson (Quincy) of Apopka, Florida; siblings: Kevin Johnson (Amy) of Riverside, California, Brandon Stewart of Orlando, Florida, Ron Nedd of Orlando, Florida, Ebony Caraballo of Oakland, California, Sharyeia Bradford and Sharica Bradford, both of Apopka, Florida; paternal grandmother: Mary Boykins of Apopka, Florida; maternal grandfather: Robert Johnson of Providence, Rhode Island; maternal grandmother: Gloria Johnson of Apopka, Florida and a host of loving uncles, aunts, nieces, nephews, cousins and friends.

“ Peace. I Am Eternal Intellect. I wish All, who had the pleasure of knowing D. Low, Love Peace and Happiness. He was more than just a Friend of Mine, he was a Honorable Man and a Good Brother. We will always hurt when we realize that He has Returned to the Essence but We should allow The Understanding of Him...which is The Best part, to live through All of Us. This pain that We All feel will not soon go away, because of his value and his worth to both Friends Family and The Community. I suggest that We embrace Each Other and appreciate One Another in times like these for with or without Support as We see, Our Lifetime is Short. Peace Be Upon Him.
