“ *My condolences to the Cook family. Damion was a great friend that I met through my friend Mario. Damion had such a wonderful spirit and always had a smile on his face. It is very disheartening to see him go. However, heaven now has another angel and we have a guardian angel. I was very sad when I heard the news of his passing, but I know that he is in a peaceful place. God Bless the Cooks family and you all are in my prayers during this difficult time.*

“ I first met Damion at Disney we were both working at the Disney Lodge. Damion was working in Housekeeping and me in Food Svc. I knew back then we would be a life long friends. Damion was the life on the party and made everyone laugh. If you needed help he was the first to come to your aid and also told the truth even when you didn't want to hear it. My heart goes out to his family during this time. We all will miss Damion!!!

“ To Damion's family.

It is with great sadness that I write this condolence to you. Damion was an amazing person. I met him when I worked at Walt Disney World back in 1994 before moving to Indiana in 2001. He and I hit it off immediately and garnered a friendship that has lasted since that time. Damion was always positive, always fun to be around and I can never remember him saying a bad word about anyone. He taught me so much in those first few years of friendship. Things like how to be yourself, how to dance, how to be kind to others and how to just enjoy life. I was so sad to leave him when I moved. We spent many an evening going out to eat, going to clubs, and to other events. There was never a dull moment when he was involved. He was an amazing soul and will be missed by so many people, none of which will ever forget him.

Rest in Peace Damion and God bless your family with comfort in the memories they have of you to share.
