“ *I looked up to Damon as my big brother and we created a lot of great memories and laughed a lot. I'm going to miss him dearly and I still can't believe that he's passed on. But as everyone says tomorrow is never promised to no one. I will cherish the good times we had and to his mother I will pray that God will give you strength to get through this. You've always treated me like you're own son and I will always love you for that. Take care and God bless. Sincerely, Richard*
