“ I met Daphne in 2013, at Pine Hills Head Start. She was a great mother (Grand parent). Her grand son was in my classroom. SHE would always come in with a pleasant smile. She was such a great inspiration when it came to her grand children. I know she will be greatly missed.

“Michelle, we love you so very much and we miss you. You were a very loving and devoted mother, grandmother, daughter, aunt, cousin, fiancé, and friend. The one thing everyone can agree on - is the love you had for your children and grandchildren. It showed in everything you did. There was never a time that anyone could ask of you and you didn't give of yourself. You are so Special -in every way. I know that you have joined Mama and Ashley in Heaven. Your will be truly missed by many. I Love You Auntie, Teleshia
