“ *Words can't express how life's highs and lows turn out. Darrell was very kind and a gentle person. An awesome trumpet player and serious boyfriend.*

*One of my fondest memories was when I gave him an 8x10 of my senior picture and he moved his mom's flower and put my picture on the TV right in the center. I'm glad she liked me because that is where it stayed. Oh by the way, he was beyond "spoiled" for a boy; that is technically got just what he wanted. LOL, he will be missed*
