“ *Debora you will truly be missed but knowing it is temporary gives a bit of comfort. I still look for the phone to ring to hear the scoop and I find myself just about to call you let you know I found the olives with garlic or to tell you about the food you suggested I try.. Seems like we were just talking and laughing. Earth has an empty space now but Heaven has reserved a space for you. Rest in peace until you rise in Glory. I love you-Your sister Brenda.*
