“ *Debra, I remember when, we first met. We both tried convincing each other that we can out run each other really fast. Well, this was a day it had been really hot outside and we had a bathing suits and playing in that kiddie pool our parents had bought. Well, Im not sure who bright eye idea it was to race down a paved road with us being wet and with our two piece bath suits. We started out running you thought you had me and you ran across me and tripped and slid down the paved road.. Ouch you had to sleep and take a shower sleeping on one side until it healed up. I just knew our mom's was going to kill us with a whipping but, we were crying soo bad, that they felt bad for us and we were grounded for a bit. But, that didn't stop the competition we had going on. Debra, I smile your funny jokescute smile and that I love you sis. We prayed that God would allow you to spend more time with us BUT, he said I need my daughter up here to get some of these people straighten out.. Until, we meet again...

“ My condolences to the Reynold's family, Debra and I were close co-workers after our department relocated to west Colonial drive and we begin working together. I miss her infectious smile, her distinctive laugh, and her saying "oh sugar on the bus". I miss us hanging out together on our lunch hour as we scrambled to find us a low cost meal. We would advise each other, and be one another's confidant. Deb... I could go on, but more importantly, I love you so much and you are truly missed. Take your rest for now and I will see you again. Love always Marilyn 🙏❤️😘

“ Debra you are going to be so missed. I already miss your vibrant, funny, caring, lovable self. You always had a smile on your face and your jokes always made me laugh... you would just come out of the blue with something for no reason and all you could do is laugh. ...I had the privilege of being your Manager and then FRIEND. We didn't speak as often as we should and that I regret the most. Debra, I think of you now and all I can do is smile!!! RIP my friend!! Watch over us, my dear friend!!!

“ Debra was my co-worker for a few years. I'm always going to remember her contagious laugh and her silly words. She stayed positive even though she was going through so much. I know she was a woman of faith and she is resting with the Lord and her daughter now. Praying for the Reynolds family for strength and comfort. God bless you all!

“ I had the pleasure of getting to know Debra Reynolds almost 10-11yrs ago while working at FPG of Longwood. My 2nd job here in Florida, along with Demetric Dirden Patricia Harris Rebhan Kim Breuer and Staci Ann Martin became my little office family. Debra was so excited when she found out about Alexa lol she kept saying After I had Alexa “Her name should be Viola she look like a Viola” 🙄🙄 and through the years when Debra and I would speak she would always say “ How is Viola” I had the pleasure of getting to know Debra and her very welcoming family. Debra always encouraged me to go into the beauty industry because she use to say “it just comes so natural to you” I spent a little time with Debra a few months ago amid Covid and was telling her about my plans for JaJa\_BeautyDepot and her exact words were “ABOUT TIME GIRL!!! I always told you to go for the beauty thing” 😊 Debra your no nonsense tell it like it is funny spirit will absolutely be missed 😇 You fought hard friend 😭 God bless your mom and Your son Byron. I pray healing to your family as they are still healing from the tragic loss of your beautiful Daughter. I pray she met you with open arms 🙏🙏
