“ *Everytime we called each other u would always start by saying "what u doing big head" or if I didn't answer the phone the first 2 times u would always say "I'ma kick yo butt" 😭😭. “ Every time you called me the first thing you would say is " hey cuz where is my son?" I knew you love him just as much as I did. I miss your voice and your phone. The last time we spoke you talked about doing a balloon release on your mother's birthday. I will still honor your wish. Love you always. I still can't believe you're gone! ☐☐
