“ *Our thoughts and prayers are with you during this difficult time. Rejoice in knowing that Della knew The Lord. Della had such a beautiful spirit, she was a shining example of God's love. She will be greatly missed. May the peace of God and loving memories bring you comfort.*

“ My special memory of Dell is when we came down to the family reunion. A lot of us went to different houses to spend the night. I was invited to go home with Dell- along with Gene(my spouse which is her blood relative). Dell made me feel right at home, and a part of the family, then and always. She made breakfast and it was delicious. Boy she could cook!! I could just feel the love and kindness coming from her. She had a beautiful smile. God's love always comes through people that have it. I will never forget that visit and her hospitality, nor her love. I am so sorry for y'all lost. We love all of you and will continue to ask the Lord to give you the comfort /strength that only HE can give. She was a gift from God. Her journey and HIS purpose for her life was completed so it was time to go. Just trust God and if you haven't found your life's purpose, please do so because our journey must also end. God is waiting to welcome us, just like HE welcomed Dell last week. Wilhelmina (mina) and Gene Griffin.
