“ *I have known you since you was a little boy working with your mom I have become part of the family. Watching you and your sister grow up was just like watching my children grow up. It saddened me when I heard of your passing. But built on the strength of God, as your mother is, we know God does not make mistakes. To my good friend and sister Flora, my heart goes out to you and your family. From the entire Barnes family, you have our condolences and we will continue to keep you in prayer.*
