“ *Condolences to the Davis family. Sorry for your loss. Devarus was the sweetest person I ever met. He would always make people laugh. We had our ups and downs but nothing that couldn't be fixed. I worked with him for a year and it was the greatest experience. When I found out he was in the hospital me and another coworker visited him bought him pollo tropical his favorite and a piece of my birthday cake..... He was very happy to see us. He wanted to go back to work so bad he kept asking me to find out if he still has his job. The last text i got from him was that he was going to shower and he asked how was baby daniel my son on saturday text back no response next day recieved the news at work tears of sadness. My boo has passed.Devarus will be missed and always in our hearts.*

“ *A beautiful soul was taken way too early in life. I wish I had more time to spend with you Devarus. I wish I could have told you I was sorry four years ago. I wish I could have been a bigger part of your life. We were young and boys trying to be men. I'll miss you forever.*
