“ It Is simply very hurtful to see our Aunt Dorothy(Dot); mother; sister; grandmother and so much more gone from our mists. She was always the life of so many family get togethers. NO ONE was like Aunt Dot!. She had so many jokes for all the kids and grownups too. Oh yes!. She'd have us all running from some joke or prank she was going to pull on us. But that was what we all loved about her and expected every single time. She brought laughs; giggles; smiles; provided care and love all at the same time. She was so like a mother to everyone. I am so glad I got to see her recently for one last get together ; Mom; Dad; cuzzins; music brought back many memories like back in the day.. She is truly going to be missed. The great thing is that God has her now. No more pain... No more sorrows. WE L♥ve you Aunt DOT. 🥺🥺 WE WEEP TONIGHT BUT JOY WILL COME IN THE MORNING.. 😊 RIP AUNT DOT. 🙏
