JL

“ When I met 'Flash' over twenty years ago, he was pulling a full time career during the day, he was teaching information systems at a local college during the evening, and he was working an additional job at night. Duane was totally dedicated to each and every endeavor that he pursued. He was a good man: Compassionate, forthright, technically savvy, and highly educated. May his legacy live on forever.

John Little - November 21, 2020 at 11:08 AM
