“ *I loved to be at Ms. Wal's house when Bob Cruzie came home for a visit in St.Kitts. I loved his liveliness and he always seemed to be in good spirits. He was down to earth too so his company was always very enjoyable. He was kind and generous just like his mom. This is such a tragedy.*

@Walwyn family: I am very sorry for your loss. May you receive all the comfort you need during this time of grief.

“ *Will always remember his kindness and love to laugh from the first time he met the family in Toronto and again in St Kitts. His kindness extended to looking in on my mom when she was alone in St Kitts. A beautiful soul. Prays and blessings to Mrs Walwyn and the family. He's with God now. One love always- Leon Wilkes*

“ *One thing I will remember is his infectious smile. You never know if he's going through something because he's always smiling. I need to be more like that in life.. despite the struggles to keep smiling. You will be missed my friend, keep smiling. RIP
Condolences to family and friends during this difficult time.*
