“ *God brought home one of his most faithful servants and a great man. Mr. Elcee “Bossman” Pollock had a special relationship with my dad’s side of the family and we mostly knew him as Bossman. My sister and I stayed with him and Sister Pollock in Zellwood, Fla. for a brief time when our parents were away doing migrant work in Stuart, Fla. and even rode to church with them many times. Our family worked for him in different locations in Fla. as well as Roanoke, Va. for many, many years. A majority of my cousins and I all knew him growing up. He loved to say “My, my, my, my, my” when he got a good laugh. Another fond memory I had from youth was when he greeted June, Terry, Mark, and another name (can’t remember) when he saw them. I was hoping that the last time I saw him and Sister Pollock at our Family Reunion in 2006 wouldn’t be my last time seeing him alive. To the family, you have our deepest and sincerest appreciation for sharing your loved one with us and the world. He will always be in our hearts and thoughts and a part of the Pearson/Harris/Washington families. We collectively pray that God will send you comfort in your time of distress and sadness. We salute you, Mr. Elcee Pollock! You will truly be missed, but never forgotten.*
