“ *James was my friend at Sears. It wasn't easy being a salesperson - sometimes feast - other times famine. He made the job a fun place to work. We laughed and laughed. Sometimes we would go to Nature's Table there in the mall and get a pineapple coconut drink. We always told one another we shouldn't have it but it was so fun to drink it. Thank you James for making me laugh, keeping me company and for your friendship. Love you my friend. Cindy*
