“ *Happy Belated Birthday I love you so much.*

Shaunkia - November 12, 2017 at 04:10 PM

“ *I miss you Auntie. Words cannot express how much you mean to me. I have and always will look at you as my angel. You are so loving and giving. You are so special to me and I will forever remember all the times we shared. I am like your daughter. Thank you for my name. I just want you to know I still think about you all the time. I love you so much.*
