“ *I would like to extend my heartfelt condolences to my cousins, Catherine, Winston, Mona, Earl, Sandra and Donna on the passing your mother, my aunt, Enid Fahie. I'm so sorry I cannot be with you to celebrate her life but please know I am with you in spirit. I was heartbroken to learn of the passing of Aunt Baby as her death to me represents the end of a generation of great women in our family. Losing a love one is never easy but I am comforted knowing my aunt lived a long happy life and was loved by everyone she encountered. Please find comfort in each other and I will keep you in my prayers.*

Love
