“ *To the family of Enoch "Spud Light-year" Tucker, as he was fondly known by us. Enoch was a true friend. He and my husband Ben Peterkin became friends while working together at Minute Maid in the early 80's. When our daughter was born in 1983, he became "Uncle Spud". Spud was a very loving and giving person who loved with his whole heart. When Bud's life first took a turn, I use to be able to get him to go to church with us sometimes but the world won him over. He was always honest and never tried to hide anything from us. Throughout the years, Bud checked on us every chance he got. He loved us and we loved him right back, unconditionally. It is with heavy hearts that we say "farewell dear brother and friend", we pray that you've found peace in your transition from this earthly life. Tucker family, know that you're in our prayers. With Love and deepest Sympathy, The Peterkins (Ben, Annette, and Children)...*
