“ On March 31, 2014 God saw fit to transition you to your new home in Heaven. It's been hard here without you but I know that you have been watching over me and the kids all of them even the ones that came after you left and Thank You. I know you are aware of what I have been going through but you keep me holding on to God's Hands and Strength. I love you and miss you sooo much..Continue to watch over me as I go through this Journey In The Name Of Jesus Christ Our Lord And Savior Amen 🙏🙏🙏💖💖💖💖

“ Hello my love, today is 2 years since you departed from us to work for the Lord and you are truly truly missed. This year seems to be harder than the last year because I have finally come to grips that you are only in my memories and that your new home is better than your past home. I love you so much and I always will. You will never be forgotten, please continue to watch over me and my family because they miss and love you too.

Hey Big Bro, it's been 1 year yesterday March 31st since you went on to Glory with The Lord. I know that you and Hilda are smiling down on us and on March 21st when she also became one of God's perfect Angel's in Heaven with you that all would be okay. We miss you two and you will always be in our hearts. Take care of one another and continue to watch over us every day.

“ Vivian Baker your brother special memories will always live in your heart. I hope this poem I found is inspirational to you VIV!! Love Ya!!! Carla in behalf 311 Staff!!!

*Please don't cry
I'm not really gone
When you look out the window
I'll be standing on the lawn*

*Please don't cry
I'll see you again
Don't be sad
Keep up your chin*

*Please don't cry
I'm not really dead
When you cry yourself to sleep
I'll be by your bed*

*Please don't cry
Just because we had to part
As long as you remember me
I'll live in your heart*

*Please don't cry
I'm not gone forever
I'll be a cool and gentle breeze
In hot summer weather*

*Please don't cry
Don't run and hide
When you need a shoulder to lean on
I'll be by your side*

Please don't cry

*When you're sad and weak
I'll be there
To kiss you on the cheek*

*Please don't cry
This is just a goodbye
So please, oh please
SISTER, do not cry*
